Part A 1%

Look at the pictures below. You will hear a short conversation or talk. Choose the picture (A, B, C, or D) that best matches the conversation or talk.

Question 1

- A 1. M: OK, class, here's the next part of the dance. Watch me, and then we'll try it together. First, touch your head, but keep your elbow pointed ahead of you. Throw your other arm straight behind you and begin to lean forward. At the same time, point one leg forward and rise up on the toes of your other foot. Bend your knee and drop down, then hold it for two seconds, balancing on your toes and heel. Ready? Together, now!

Q: Which picture shows what the person is teaching? (Unit 12)

Part B 3%

In part B, you will hear several questions or statements. Choose the best response or reply.

- C 2. Can you let me know what kind of crops are produced here? (Unit 1)
- (A) We produce car parts and send them to other countries.
- (B) Of course. We make computers at this factory.
- (C) Sure. This farm grows bananas and pineapples.
- (D) This company manufactures the packages for cookies and bread.

D 3. I need to send this package to the US, but it's fragile. (Unit 15)

- (A) No worries. We have some very big boxes.
- (B) We can get it there quickly, but it's expensive.
- (C) Then you should e-mail the information instead.
- (D) OK. We'll handle it as carefully as possible.**

C 4. Why do you think this is a crucial part of the chair's design? (Unit 4)

- (A) Because that color is not in style right now.
- (B) Because it's a very expensive chair. Let's find a sale.
- (C) Because without this plastic piece, the chair would fall apart.**
- (D) Because chairs without that feature look a lot more modern.

Part C 4%

In part C, you will hear several conversations between a man and a woman, and then a question following each conversation. Choose the best answer for each question.

D 5. W: Do you want to see the new *Wonder Woman* movie with me?

M: Sure, let's go! How about Thursday evening?

W: Oh, I can't go on Thursday evening. I have a gym session then.

M: Maybe on Friday?

Q: What will the woman be doing on Thursday evening? (Unit 2)

- (A) She will be buying some gym equipment.
- (B) She has to work late at her job that night.
- (C) She will be seeing a movie with the man.
- (D) She has an appointment to do some exercise.**

A 6. M: Hey, Shelley, how did your soccer game go?

W: It was a close one! We were up against our biggest competitors, the Red Ravens.

M: It must have been exciting. What happened in the end?

W: We were able to defeat them by one point!

Q: Which of the following was likely the final game score? (Unit 4)

- (A) The Red Ravens lost, with a final score of 2-3.**
- (B) The Red Ravens lost, with a final score of 1-4.
- (C) The Red Ravens won, with a final score of 1-0.
- (D) The Red Ravens and the woman's team tied at 1-1.

C 7. W: It's time for me to check my blood sugar.

M: I always wanted to ask: what do you do if it's too high?

W: I have to inject some medicine in that case.

M: Oh, that sounds kind of scary!

Q: How does the woman take her blood sugar medicine? (Unit 8)

(A) She sprays it into her nose.

(B) She swallows a pill with water.

(C) She puts it in her body with a needle.

(D) She drinks it as a liquid.

D 8. M: I find it interesting that the main character in this story often eats oranges.

W: I think it shows her happy nature and her hope for the future.

M: Really?

W: Yes, orange often represents joy and hopefulness.

Q: What are the speakers talking about? (Unit 14)

- (A) Where the word "orange" comes from.
- (B) Which fruits they will buy today.
- (C) What their favorite colors are.
- (D) What a particular color means.**

Part D 2%

In part D, you will hear one passage. Choose the best answer for each question.

Passage 1 (Read questions 9 and 10 before listening to Passage 1)

Welcome back to *Money Magic*, where we make money problems disappear! Today, we've got a professional financial counselor here with us. She's going to talk with us a bit about common ways to save money. Her advice just might save you a fortune! Next, we'll talk about some famous people who have made bad money choices. We're not just going to laugh at their problems, though! We're going to learn why they made these bad decisions and talk about how you can avoid similar financial difficulties. After all, money is complicated when you first start learning more about it. Finally, we'll go over news that might impact investors. But first, let's meet Linda. Tell us a little about yourself!
