#### Paragraph

Christmas is celebrated around the world in many different ways. Take the Christmas tree for example. In Spain, the trunks of Christmas trees are filled with treats. Children hit the trees with sticks to knock the treats out. The people of Brazil also use a Christmas tree in their celebrations. They decorate their trees with white cotton to make it look like snow because they don't have any! Christmas meals can be different, too. A holiday feast in Australia means barbecuing on the beach. No Christmas meal in England would be complete without plum pudding. No matter how Christmas is celebrated, it will always be a special holiday in everyone's heart. (延伸自 12 Unit 10)
